

CURRICULUM VITAE (C.V.)

Name : **Dr.Mrs. Anuradha Atul Jape**
Present Designation : Assistant Professor in Microbiology
Contact : anuradha.jape@gmail.com;
japeanuradha@bharatividyaapeeth.edu

Educational Qualifications : M.Sc.; Ph.D.

Exam	Subject
Ph.D.	Potential of Marine yeasts for Poly Unsaturated Fatty Acid Production
M.Sc.	Microbiology
PG Diploma	DIPR

Teaching Experience:

- **Under-Graduate Level** : 16 years
- **Post-Graduate Level** : 12 years
- **Research** : 21 years

Research areas: Poly Unsaturated Fatty acids, Marine yeasts, Aerobiology

Research Experience:

Sr. No.	Project Title	Year	Place of work and role (Principal investigator/Co-PI/ Project Assistant/ student)
1	Isolation, identification, characterization of marine yeasts for PUFA production and selection of low cost medium.	2013	BVDU, Y. M. College, of Arts, Sci. Com, Pune Principal investigator
2	A study to check the efficiency of selected mushroom strains to convert flax ALA into PUFA.	2013	BVDU, Y. M. College, Pune Principal investigator
3.	River Project on study of microbiological flora of Mula Mutha River, Pune zone.	2012	BVDU, Y. M. College, Pune Co-investigator at College level
4.	Development of transgenic cotton cultivar resistant to bollworm	1994-1997	NCL,PUNE Project Assistant
5.	Turn-Key Project on development of Plant Tissue Culture laboratory, and cultures	1997-1999	NCL,PUNE Project Assistant
6.	Biosorption of metals using bacteria	1992-1994	Agharkar Research Institute, Pune. Project student

Awards and Honors: (11)

1. Rapporteur at One Day Workshop–“To celebrate International Year of Chemistry,2011” organized by Maharashtra Academy of Sciences and National Chemical Laboratory, on 23rd Sept.2011
2. Writer and presenter of educational programs, at DD2 Doordarshan channel and Balchitrawani, **State Institute of Educational Technology, Pune** (1993-2012)
3. Speaker in the lecture series on ‘Plant Tissue Culture’ conducted by Shrimant Shri Dagadusheth Halwai Trust, Pune, on 04 March 2012
4. Invited as expert and content writer for **preparing Learning Objects in e-learning project by State Institute of Educational Technology, Pune (Govt. of Maharashtra project)**
5. Invited Speaker for **Akashwani, Pune (Radio) Programs for Popularization of Science Since 1993**

6. **Referee** for State Level Poster Competition for School Students, organized by, **Maharashtra Academy of Sciences** (MAsc.) and NCL, 2009
7. Best Poster Award at International seminar on Pharmaceuticals to Nutraceuticals: A Pragmatic Approach organized by SPPU, Sinhgad College Pharmacy, Pune 15 and 16-01- 2016
8. Best Paper Presentation Award “ICAAM 2016”, Asian Medicine : Global Health” International Conference on Advances in Asian Medicine, organized by Society of Ethnopharmacology associated with International Society for Ethnopharmacology and Poona College of Pharmacy, BVU,Pune, 03 to07-01-2016
9. Best Paper Presentation Award at the 17TH National Conference organized by Aerobiology Society of India, 6-8thDec. 2012
10. Best Poster Award at the International conference of PTC at Jamia Milia Hamdard University, Delhi 2-5 Feb.1998
11. Resource person, International Global Meet :Mahayoga Global Meet 2012, Pune

Peer Reviewer & Advisory/Editorial Board member of International Journals: (01)

1. Editorial member of International Journal for Innovative and Informative Multidisciplinary Research

Publications:

Research Papers published: (20), Data Bases Published (11)

Mujumdar,(2009), ‘Optimising parameters to reduce auxin requirement for regeneration via embryogenesis in *Tagetes erecta* and a study on its medicinal applications with special reference to its Raktasangrahi, Shothnashak properties’, Global Ayurved Conference & Health Expo at Bharati Vidyapeeth University, Pune.
6. **A.A. Jape**, A. Harsulkar (2009), ‘Microorganisms for PUFA production’, 50th Annual Conference of Association of Microbiologists of India, at NCL, Pune.
7. **A.A. Jape** (2010)‘Study of medicinal properties of Marigold’, National Conference on New Frontiers in Herbal and Synthetic Drug Studies at Abeda Inamdar College, Pune.
8. **A.A. Jape** (2012) Bacteriophages as natural self-limiting antibiotics’, “Biotechnology for better tomorrow-2020”Aurangabad.
9. **A.A. Jape**, S. Lobo (2012) Synthesis, characterization, antimicrobial study and catalytic activity of Cr(II), Mn(II),Y(III), Zr(II) Schiff base complexes International conference on current trends in medicinal plant research, University of Pune, Pune.
10. **A.A. Jape**, S.P. Dagade (2012) Comparative study of synthesis and characterisation , antimicrobial activity of Ti(IV), Zr(IV), Hf(IV) Schiff base complexes’, Seventh International conference on expanding horizons in chemical and biological science innovation crossroad.(ISCBC-12), University, Solapur.
11. **A.A. Jape**, S.P. Dagade (2012)‘Study of synthesis and characterization, antimicrobial activity of Ti(IV), Hf(IV) Schiff base complexes’ National seminar at Yashwantrao Mohite College, BVDU, Pune.
12. **A.A. Jape**, A. A. Kulkarni, (2012),’ Indoor wall fungi and its control using Y(III)complex. -53rd Annual Conference of Association of Microbiologists of India, Bhubaneswar, Odisha.
13. **A.A. Jape**, (2013), ‘Prospecting marine yeasts for PUFA production’, BioEngineering Sciences, Present Status and Future Perspectives, DST with COEP, Pune.
14. **A.A. Jape**, V. R. Sapre, A.M. Harsulkar,(2014),‘Poly Unsaturated Fatty acid Production using whey by marine *Candida tropicalis*’,Third Global Sustainable Biotech Congress CETYS University MEXICO, and Global Biotech Forum, Nagpur, NMU Jalgaon, INDIA.
15. **A A Jape**, S. P. Dagade, (2014), ‘Synthesis and antimicrobial activity of Zr and Cr Schiff base complexes,’ 2nd International conference on Herbal and Synthetic drug studies. Organized by ISTRA,Pune
16. **A.A. Jape**, S. Magdum BIOCAMP (2014), ‘E-waste management, biodegradation and Bioplastics’, Shivaji University, Kolhapur.
17. **A.A. Jape**, V. R. Sapre, A.M. Harsulkar (2016), ‘Biotechnological method for production of novel functional cereals’, International seminar on Pharmaceuticals to Nutraceuticals: A Pragmatic Approach SPPU Sinhad College of Pharmacy, Pune.
18. **A.A. Jape**, V. R. Sapre, A.M. Harsulkar (2016), ‘Bring back poly unsaturated fatty acids to enrich human food chain by PUFA enriched feed for poultry and dairy animals’, (HSDS-2016)3rd International Conference on Herbal and Synthetic Drug Studies’ organized by The Kansas University Medical Center, Kansas City, USA., M.C.E. Society’s Interdisciplinary Science and Technology Research Academy (ISTRA), Abeda Inamdar Senior College (Post Graduate Department of Chemistry and Research Center) & Allana College of Pharmacy, Azam Campus, Pune.
19. **A.A. Jape**, V. R. Sapre, A. M. Harsulkar,(2016),‘Molecular identification of marine *Rhodotorula* yeast and its spectroscopic analysis establishes unsaturated fatty acid accumulation, “ICAAM 2016: Asian Medicine : Global Health, International Conference on Advances in Asian Medicine, organized by Society for Ethnopharmacology associated with International Society for Ethnopharmacology and Poona College of Pharmacy, BVU, Pune.
20. **A.A. Jape**, V. R. Sapre, A. M. Harsulkar(2016),‘Marine yeasts from coastal waters of Kokan (India), as a promising source of polyunsaturated fatty acids’, National Seminar: Current trends in Biodiversity conservation and climate change, at Y. M. College of Arts, Science and Commerce, BVU, Pune.
21. **A.A. Jape**,, T.V. Kulkarni, **ASTRA 2017 A Study On Importance Of Purvabhyas In Improving Educational Outcomes**, H. V. Desai College, Pune, 18-19th January,2017

Special Academic Contribution: (1)

1. Working as Paper-setter and examiner at Undergraduate and Post-graduate examinations in Microbiology and Organic Chemistry Bharati Vidyapeeth University, Pune.

Memberships of Learned Academic Organizations: (1)

Life member of Association of Microbiologist, India
