Deemed to be University)
Yashwantrao Mohite College of Arts, Science and Commerce, Pune

National Innovation and Start up Policy (NISP) -2021

Vision :

Promoting advance knowledge and educate students in science and technology

Mission :

1. To enhance the Institution's Innovation Council in aspects of the participation of students and faculties, by encouraging them through educational modules, workshops, Seminars and inspiring activities.
2. Building and enhancing a network of experts & mentors, business entrepreneurs.
3. To support and provide facilities for start-ups, incubators & pre-incubators.
4. To develop strategy to raise funds from diverse sources to reduce dependency on the public funding. Bringing in external funding through government (state and central) such as DST, DBT, MHRD, AICTE, DSIR, CSIR, BIRAC, Startup India, MSME, etc. and also funding from non-government sources to be encouraged.
5. To develop entrepreneurship culture, exchange programs, internships, engaging the international faculties in teaching and research.
6. To form Institute IPR cell or incubation center. This center will coordinate and facilitate services to faculty and students.

Short Term goals:

1. Initiating and establishing pre-incubation center and to mentor faculty and students for the start-ups.
2. Strengthen the IPR cell of the institute to help faculty and student in patent filing and licensing.

Long term goals:

1. Improving dedicated support for the full rapid growth for start-ups and patent filing.
2. Developing innovative projects using the latest technologies to solve social problems in the fields of agriculture, healthcare and renewable energy.
3. Faculty and students to be encouraged to enroll for the courses related to innovation and entrepreneurship development.
